

TITLE: Public Safety and Security

POLICY STATEMENT

VenuesWest is committed to the safety, security and wellbeing of all people who enter our venues and the protection of our facilities, assets, and resources.

SCOPE

This policy applies to Board members, employees, contractors, sub-contractors, licensees, venue hirers, and visitors entering VenuesWest self-managed venues.

This policy does not apply to co-managed and partner-managed venues. However, the contractual mechanisms in place will be used to ensure that the related policy resources at those venues address the core components of this policy.

PRINCIPLES

The application of this policy is defined, guided, and supported by the following principles:

1. Security management should be:
 - 1.1. Considered in venue design, ongoing investment in infrastructure, event planning, and service delivery.
 - 1.2. Subject to continuous assessment and adapted to address changes in operating environments, industry best practice updates, and diverse elements that different crowds and events present.
 - 1.3. Resourced to ensure effective preparedness to mitigate potential risks and respond to security/terror incidents, including:
 - 1.3.1. Establishing a coordinated approach for implementing security management measures
 - 1.3.2. Collaborating with key stakeholders such as law enforcement and emergency response agencies
 - 1.3.3. Integrating risk assessment, planning, and reporting processes
 - 1.3.4. Training and education to increase and maintain currency of knowledge practices and awareness of security and terrorism risks.
2. Risk assessments of terror-related threats will be undertaken using adopted risk assessment methodologies.
3. Visitor and contractor management will include the execution of appropriate and effective induction processes for safe and controlled entry, access, use, and exit from venues and facilities, including:
 - 3.1. Sign in and out via kiosks and systems
 - 3.2. Issuing of identification accreditation and access cards
 - 3.3. Issuing of safety and emergency management information
4. Closed Circuit Television (CCTV) will be operated and managed by the authorised VenuesWest delegates:
 - 4.1. Based on the philosophy that areas of vulnerability will be prioritised for monitoring (i.e. vulnerable areas, cash-handling areas, and entry and exit points)
 - 4.2. Within applicable laws and for the ethical and beneficial purposes for which it has been established
 - 4.3. With due regard to privacy, principles of natural justice, civil liberties, and public interest by ensuring integrity of use and security of recorded material
 - 4.4. For surveillance activities within public access areas which would reasonably be expected to be observed

- 4.5. Through active, passive, scheduled, and covert surveillance relevant to the operational mode and risk environment to:
 - 4.5.1. Protect assets and their utilisation
 - 4.5.2. Assist in normal operational activities and event management, including monitoring movement, congregation, and anti-social behaviour
 - 4.5.3. Enhance public safety and crime prevention measures as a deterrent to potential offenders
 - 4.5.4. Inform investigations by authorised law enforcement agencies and resolution of customer complaints.
5. Information, resources, and intellectual property will be secured and protected through:
 - 5.1. Clear desk and clear screen processed to safeguard paper and/or removable media and maintain confidentiality
 - 5.2. Standardised data management and information classification
 - 5.3. Controlled soft and hard copy records disposal processes
 - 5.4. Adherence to procedures relating to digital security as set out in the ICT Information Security Management System Policy.
